I'm still waiting to confirm with tribal chairman but I would say yes.

Sure we can change the 12/14 ARC meeting to start at 1 and end at 3:30. I'll do that tomorrow.

Should NDEP plan to attend YPT consultation?

We just heard from the Yerington Tribe. They would like to hold the Consultation at their regularly scheduled council meeting on 12/14@5:30p. Based on our current tentative schedule, we are meeting with ARC 12/14 from 1:30p-4:00p. If we depart Carson City by 4p, we could make it out to YPT by 5:30p. This is cutting it close so I am wondering if we should start the meeting with ARC at 1pm instead of 4 so we can have a little more time between meetings?
